

CCG | COMMERCE CAPITAL GROUP  
INFRASTRUCTURE INVESTMENT BANKING

---

## Student Internship Program

# Program Overview

---

CCG actively recruits highly motivated undergraduate students pursuing careers in Investment Banking.

---

- Highly selective recruiting criteria
- Students benefit from CCG training, deal experience and alumni network
  - Training for all basic first-year investment banking analyst functions, including financial modeling, company and industry analysis and valuation
  - Live M&A and capital raising deal experience
  - Full office resources for recruiting efforts
  - Access to proprietary network of former CCG interns currently working for the largest investment banking and private equity firms in the world
- Typically hire 2-4 new intern analysts per year
- Number of CCG alumni at leading financial firms totaling 15 and growing rapidly each year since program inception in 2006
- Internship is unpaid until returning to CCG from bulge-bracket summer internship for final year

# Program Criteria

---

## Highly selective recruiting criteria

---

- We take the following factors into consideration for all applicants
  - High academic achievement (GPA 3.5+, SAT 2000+)
  - Strong demonstrated interest (extracurricular involvement in finance, etc.)
  - Knowledge of accounting
  - Proven analytical abilities (success in math/stats courses; strong standardized math scores)
  - Relevant experience (previous work/intern/research experience in finance, acctg, or econ)

# Program Placements

---
