# Discover KPMG: University of California, Santa Barbara

## Hello Fellow Gauchos,

KPMG LLP ([www.us.kpmg.com](http://www.us.kpmg.com)), one of the world's largest accounting, tax, and advisory firms, is seeking individuals interested in participating in our summer leadership program, Discover KPMG. Discover KPMG will be taking place in offices across the nation throughout the summer and in particular in *San Francisco (June 11–12), Silicon Valley (July 16–17), Orange County (Summer 2012), and Los Angeles (Summer 2012)*.

### The Discover KPMG Summer Leadership Program

**Program** is designed to provide you with a valuable learning experience. Since we view our leadership program as a "stepping stone" for a career at KPMG, all of the programs and processes we use over the course of the program mirror those we use for our full-time professionals. You will be participating in many interactive activities such as client case studies, social events with our professionals, and various practice presentations.

We have created a leadership program that we believe is an excellent way for students to get an inside look at a career with an accounting, tax, and advisory firm. You will have the opportunity to explore different career opportunities and network with professionals within the firm. Each participant is given a KPMG mentor to help guide you through the program because at KPMG, we view this as the start of your career.

If you are interested in applying for the Discover KPMG Summer Leadership Program, please do so through Gaucho Link and KPMG's online application. **The deadline to submit your application is Monday, February 20, at midnight, and on-campus interviews will be taking place Friday, March 2.**

## Qualifications:

Students applying for the programs should have two years remaining in their education before being eligible for full-time employment (2012 program participants should have a final graduation date of May 2014). Applicants must be interested in pursuing a career in public accounting.

## Key Dates:

### Résumé Submission Deadline

Interested candidates must submit their résumé and application to Gaucho Link and KPMG's online application.
