

Women in Leadership Summit

Speaker

Mehr Sharma
Finance Manager at Superhuman

Mehr Sharma is a UCSB alumnus who graduated with a double major in Economics and Religious Studies. During her time at UCSB, she worked as a Peer Advisor in the Department of Economics and was also part of the Economics honors program. Upon graduation, she began her FP&A career at Dolby Laboratories. She is now a Finance Manager at Superhuman (formerly Grammarly).

Speaker

Dannell Stuart
President and Partner at Mission Wealth

As President and Partner of Mission Wealth, Dannell Stuart is dedicated to shaping and executing the firm's strategic vision. To her, leadership is both a challenge and a joy, one that comes from bringing out the best in others. Dannell holds a Bachelor of Arts in both Spanish and Communications from the University of California, Santa Barbara and has been a CERTIFIED FINANCIAL PLANNER™ since 1999.

Speaker

Savannah Perkins
Finance Manager at Google

Savannah Perkins is a Corporate Finance professional with 10+ years of experience driving a positive financial impact at various high-tech companies. She is currently a Finance Manager at Google based in Los Angeles. She started her career at Intel in the California Bay Area, which was a position she landed through the UCSB Economics Career Center.

Speaker

Lisa Cummins Dulchinos
CFO at Ayar Labs

Lisa Cummins Dulchinos is Chief Financial Officer at Ayar Labs, where she brings close to 30 years of experience leading financial strategy and scaling high-growth tech companies. An advocate for developing the next generation of leaders, Lisa is passionate about mentoring women in business and technology. She holds a BA from the University of California, Santa Barbara, and an MBA from Saint Mary's College, and is a CPA (inactive).
